

Friday 13<sup>th</sup> May 2022

Dear Parents and Carers,

We were delighted to present our Value Awards this week in our Key Stage assemblies. Each term, an award is given for our core values of respect, determination, engagement and collaboration. These values are embedded across our school and children put value gems in jars when we see children displaying these values. It is important that all children, staff, parents and visitors understand and help us in displaying these values.

#### **Warmer weather**

It has been wonderful to see the warmer and sunnier weather and the children have enjoyed wearing their summer uniform. As the UV index is rising, it is important that children have sunscreen applied before they come to school and bring a hat with them for break and lunchtimes.

#### **Arrival at school**

Our school gates are open at 8.30am. Children who are unsupervised must not arrive at school before this time, as they will not be supervised. Many thanks for your support with this.

#### **Traffic Management**

We are continuing to work with Andium Home and the Education Department regarding the new road system on School Road. There is no entry access through School Road and it is important that all road users follow this. We have received feedback from many parents about the new system and we have shared this.

Good news - I have received funding to upgrade our cycle and scooter parking at the front of school and I am in the process of purchasing these.

#### **Communication and Social Media**

Please remember to follow us on our school Facebook page as we regularly update this with events and celebrate what we have been learning about. [Click here](#) to link to our Facebook page.

We were hoping to have our website up and running a few weeks ago. This has been built and the final stage of going live should be completed very shortly!

Please do get in touch if you have any questions, comments or queries.
