Samares Showcase

Show us what makes us, Samares!

What is the Samares Showcase?

The Samares Showcase is a chance for you to show your independent learning. It's **optional**, but we would love as many children as possible to take part!

What does it mean to be independent learning?

It means you are:

- **doing thinking**
- **making choices**
- **showing your ideas**

You can get help from family, friends or others.

This term's theme:

What makes us, Samarès?

Focus: Our school values and/or creative interpretations of the Samares logo and school identity.

You could...

- Create some **artwork** inspired by our school logo.
- Create a **model** showing **teamwork** or **respect**.
- Write a poem or **story** about **determination**.
- Write a **biography** about someone who shows our school values.
- Film a **video** about what the school values mean to you.

Let's make this the best Showcase yet!

Key dates:

- Start planning and getting started **now** – it's a great opportunity while school is closed tomorrow!
- **Bring** in your independent learning by **Thursday 5th November**.
- The Showcase will be on **Friday 6th November** after school for everyone to look at.

Small steps + Big ideas =: A wonderful Showcase!
