

Dear Parents,

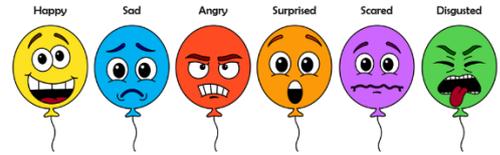

We hope you all had a lovely Easter break. We are very much looking forward to the children's last term in Nursery! Time is flying.

This term we will be learning:

### Personal Social and Emotional Development

- To be increasingly independent in meeting their own care needs, e.g., brushing teeth, using the toilet, washing and drying their hands thoroughly.
- To make healthy choices about food, drink, activity and toothbrushing.
- To talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'.

### Communication and Language

- To start a conversation with an adult or a friend and continue it for many turns.
- To use longer sentences of four to six words.
- Use talk to organise themselves and their play: "Let's go on a bus... you sit there..."

### Physical Development

- Be increasingly independent as they get dressed and undressed, for example, putting coats on and doing up zips.
- Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks.
- Use one-handed tools and equipment, for example, making snips in paper with scissors.

### Understanding the World

- To plant seeds and care for growing plants
- To understand the key features of the life cycle of a plant and an animal.

### Maths

- To understand position through words alone – for example, "The bag is under the table," – with no pointing.
- To link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5.

### Literacy

- To begin to learn set 1 letter sounds.
  - Please see our school website - <https://www.samares.sch.je/page/?title=Set+1+Sounds&pid=46>

### Expressive Arts and Design

- To play instruments with increasing control to express their feelings and ideas.
- To make imaginative and complex 'small worlds' with blocks and construction kits.
- To create their own songs or improvise a song around one they know.

### Jigsaw

I can tell you about my family.  
I understand how to make friends if I feel lonely.  
I can tell you some of the things I like about my friends.  
I know what to say and do if somebody is mean to me.  
I can use Calm Me time to manage my feelings.  
I can work together and enjoy being with my friends.

### Reminders:

- As we enter Summer Term, we ask that you begin to apply long term (8 hour) sun cream to your children in the morning before they attend school. We also ask that they begin to bring **NAMED** sunhats to school.
- Your child's learning will continue to be sent via 'Tapestry'. We continue to welcome any comments and uploads you wish to add and share with us of your child's learning at home. The children love to share these photos with their friends and ask each other questions.

If you have any questions, comments, or concerns. Please email [l.moll@samares.sch.je](mailto:l.moll@samares.sch.je). We look forward to a happy and fun term.

Kindest regards,

The Nursery Team - Miss Moll, Miss May, Mrs Vellam and Mrs Greier
