

# Learning in Reception

Welcome back, it's hard to believe that we are now halfway through Reception! It was lovely to see you all at our parent pop in to celebrate all our learning so far.

## Literacy

We are continuing to learn our sounds with a particular focus on blending. This is where children hear the sounds and put them together e.g. c-a-t, cat. Now that we are ready to write, we are looking carefully at how we form our letters, starting and stopping in the correct places.

## Topic

This half term, we will be learning about Space. We are learning about significant people; Neil Armstrong and Tim Peake. Children will be exploring non-fiction texts to support their learning. We will also continue to focus on celebrations as we learn about Mother's Day and Easter.

## Tapestry

Please continue to look at your child's learning on Tapestry and share with us any activities and achievements from out of school.

## PE

Reception C: Thursday and Friday  
Reception LLM: Thursday

## Maths

During Maths lessons, we are learning about addition, learning to recognise the symbols + and =. We will also be looking at number bonds to make different amounts. Children are now expected to begin to form their numbers correctly.

## Oracy

We are focusing on speaking in full sentences, using sentence stems to help us. Every day we are sharing something that we are proud of. You could ask your child each day what they are proud of.

## Jigsaw

Jigsaw is our programme to support our Personal, Social and Emotional Development. This half term we will be focusing on Healthy Me! We will be exploring topics such as sport and exercise, healthy eating and sleep.

## Just a reminder:

- Please do not bring in toys from home as this can cause upsets when toys are lost or broken.
- Please provide a spare change of clothes in your child's bookbag.

If you ever have any questions then please come and make an appointment at the end of a day, or alternatively, you can contact us by email on:
