We are delighted to have been appointed your school uniform supplier, and the new items of uniform are arriving daily. However, due to the increase in the number of schools we will be looking after this year, we have had to make the difficult decision to provide an “online” only service for your school. This is a practical decision, as we wouldn’t be able to provide the best possible service to every customer due to the increase in the number of parents & students that will be visiting the shop this summer.

There will be an opportunity for you to try the branded uniform items at your school, as they will have a full set of sizes available to “Try For Size”. You will also be able to pop into the shop and “Try for size”, before placing your online order. During the busy “back to School” period, please be aware that “Click & Collect” orders could take up to 48 hrs to process before they are ready for collection, so please bear this in mind.

We are very aware, particularly for new parents and pupils you would like to have the opportunity to try on the complete school uniform, so until Saturday 3rd of August, you will be able to try and buy and in the shop. **From Monday 5th August**, your school will then become “**online**” only and you will be able to place your orders through our website, www.lyndalesports.com, and choose the ‘click & collect’ or postal option until schools re-open in September when we will be delivering to schools, free of charge on a Wednesday. Any orders placed by 11am on a Wednesday will be delivered to the school for collection the same day.
