Dear Parents and Carers,

Transition

This afternoon, all of our classes are moving to their new classroom for the afternoon. Our Year 6 children have been to their Secondary School for the last two days and we are looking forward to welcoming them back on Monday to find out all about it.

Following feedback from our Parent Discussion Group, they suggested ways of helping the transition to a new year group. This included photos and names of the class teachers and more information about where to pick up/drop off. So we have created a transition document for each class. Your child should have brought home a paper copy of this yesterday and we have saved these on our school website (in the Parents section under Transition) or by following this link:
