### **Class Charts**

This week we have started using 'Announcements' - this will be used predominantly for short class based announcements from class teachers. For example 'Please remember to bring wellies in to school on Friday for our trip to the woods'.

The weekly newsletter which is emailed out and saved on the website remains the main source of information for parents. This was agreed by the Parent Discussion Group, and the group felt the use of Class Charts for Announcements would also be helpful.

Class Charts can send you a Push Notification if you have installed the Parent App on your phone. You will need to enable Push Notifications for the App via the Settings on your phone. Otherwise, you will get a notification via the email you have linked to your child's Class Charts account. (Please be aware this email from Class Charts may go to your Junk folder!)

### **Term Dates**

You can find the term dates by following the link below. Our last day of the Autumn term is Thursday 19<sup>th</sup> December.
