- Children in Year 1 will come to the Year ID door by the bench in the morning.
- All children will need a snack and water bottle which they will bring into the classroom and put in different trays.
- Coats and bags will be stored on individual pegs outside the classroom.
- Children will be picked up from school at the Year ID door. Miss Dufty will be available at the door most days if you have any questions.

This is the way I will come into school and where I will wait to be collected.

This is my classroom entrance.

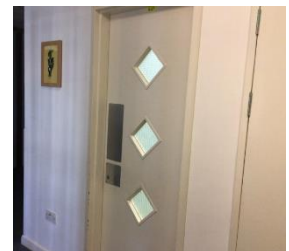

This is my Year 1 classroom - it may look a little different in September.

These are the toilets I will use. They are in the Year 1 corridor.
