- Children in Year 2 will be dropped and collected by a parent/carer at the outside classroom door.
- The children will each have a named peg for their coats and bags.
- They will need a snack and water bottle which they will bring into the classroom.
- There will be a lunch box trolley and snack box in the classroom.

This is the way that I will come into school.

These are the Year 2OD pegs where we will store our belongings

This is my Year 2 classroom - it may look a little different in September.

We look forward to seeing you in September! Please say hello if you see any of the Year 2 team 😊
