- Children in Year 3 will come straight to the Year 3 classroom in the morning (1st floor) via the back gate and up the main stairs.
- All children will need a healthy snack and water bottle which they will bring into the classroom. Children do not need a pencil case.
- Coats and bags will be stored in individual lockers outside the classroom.
- Children will leave school via the back gate. Mrs Bobrow will be available on the gate most days if you have any questions.

This is the way I will come into school
and where I will wait to be collected
at the end of the day.

This is my classroom entrance.

This is my Year 3 classroom - it may
look a little different in September.

These are the toilets I will use.

These are the Year 3 lockers where we
will store our belongings.

We look forward to seeing you in
September! Please say hello if you see
any of the Year 3 team 😊
