Dear Parents and Carers,

As we come to the end of the Easter term, I want to take this opportunity to thank you for your continued support and partnership. It has been a wonderfully busy and productive term, full of learning, achievement, and community spirit. Our pupils have shown real determination and enthusiasm over the past weeks—whether in the classroom, in sports events or through creative arts, or in the many enrichment activities that have brought our school to life. This has been evident from our recent Value Awards, where children have received certificates and cups for various successes.

As we head into the Easter break, we hope all our pupils enjoy a well earned rest. Please take time to recharge, spend moments together, and make the most of the longer days ahead. We look forward to welcoming everyone back for the summer term on Monday 20th April.

Wishing you all a peaceful and Happy Easter.

Parent communication

As always, thank you for staying connected with school life. Please remember to check the newsletter, Class Charts, and our Facebook page regularly, as these remain the best places to find up-to-date information and celebrate what's happening in school. We kindly ask parents and carers to be mindful of what is posted in community WhatsApp or Messenger groups. These spaces can be helpful, but they sometimes they can cause confusion. If there is ever a situation where you need support, clarification, or guidance, please contact the school directly—we are always here to help, and it ensures you receive accurate information promptly.

Hot Food Tasting – Monday 20th April

Our hot food provider will be offering a tasting for families from 3pm on Monday 20th April in the hall – all are welcome!

Support during the Easter period

We are looking forward to the Easter break. We also understand that school holidays aren't always an easy time, as they can bring added pressures or challenges. If you need any support during the break, there are several ways you can get in touch:

- Request support from the Children and Families Hub - <https://www.gov.je/Caring/ChildrenAndFamiliesHub/pages/childrenandfamilieshubhomepage.aspx>
- YES Project can provide support: <https://yes.je>
- Our recent safeguarding newsletter contains lots of information about supporting children: <https://www.samares.sch.je/page/?title=Safeguarding+Newsletter&pid=35>
