Dear Parents and Carers,

We have been receiving updates from the Education Department regarding the forecast of hot weather next week. As a result, we may need to adjust the school day and timings depending on the temperature. We will continue to monitor the situation carefully and will make further adjustments if necessary. Any significant changes to routines will be communicated with you promptly, which could include over this weekend, so please keep an eye out on your emails.

A letter was sent to you via email and can be found here:

Thank you for your understanding and support.

Zones of Regulation

Today's tool is 'Practicing Persistence'. Persistence means not giving up when faced with a challenge or learning something new. Trying something new or challenging can be uncomfortable and difficult but we can feel great once we have achieved what we set out to achieve. You could support your child this week by encouraging persistence. Examples might be:

- Tying shoelaces;
- Homework;
- Riding a bike;
- Trying to do something by themselves for the first time;
- Learning a new skill.

Practising persistence can help your child's self-esteem, so continue to talk about it and celebrate their progress!

What is on next week:

As always, there's lots happening alongside our usual learning in class. We are running a 'talk like an artist' competition for children to share their art work. Children in Year 4 are visiting the farm, for their Rural Connection Workshops. Year 5 are surfing at Le Braye. Year 2 are continuing with their Jersey Music Service whole class lessons. Year 6 have been practising their end of term leavers assembly and many children are preparing for Sports day!

Term Dates

Our INSET Dates for 2026/27 have been confirmed:

Monday 7th September 2026, Thursday 10th September 2026 (Battle of Britain Day), Friday 11th September 2026 and Friday 5th February 2027.

Term dates for the next academic year can be found here:
