Dear Parents and Carers,

As the heat wave reduces, it has been a challenging week for everyone in school. We have taken steps throughout the week to keep children as comfortable as possible, including adapting routines and encouraging regular breaks and hydration.

I would like to thank all parents and carers for your support during what has been a tricky week. Your understanding and cooperation has made a real difference. I am very proud of how well the children have coped, showing resilience and a positive attitude despite the conditions. Staff have also worked hard to adjust plans and support pupils, making sure everyone remains safe and supported – a huge thank you to them all!

There are some trips and events which have been postponed due to the extreme weather. Our teachers will get in touch with parents of those classes to provide rearrangement information.

Thank you again for your continued support.

Transition

This week marks an important milestone for our Year 6 pupils as they prepare for their next steps. On **Thursday 2nd July and Friday 3rd July**, our Year 6 children will be visiting their new secondary schools for their transition days. These visits are a valuable opportunity for pupils to familiarise themselves with new surroundings, meet teachers and peers, and begin to build confidence about the exciting journey ahead.

In addition, on the **afternoon of Friday 3rd July**, all children across the school will spend time in their new classes with their new teachers. This is always a special moment, helping pupils to feel settled, reassured, and ready for the new academic year in September.

Before the transition day, we will give children transition documents with photos and social stories of their new teachers and classrooms.

Summer Fayre

We are looking forward to our **PTA summer fayre** on Wednesday 1st July between 3-4.30pm in our outdoor area. All are welcome and there will be games, prizes, bouncy castles, second hand uniform, refreshments and snacks. Cash only please! There is a poster at the bottom of this email.
