

Dear Samares Families,

As a thank you for Samares School partnering with Sports Bug throughout the school year, we wanted to do something to support families ahead of the longer seven-week summer holiday.

We know the summer holidays can be both exciting and challenging for parents, especially with the rising cost of childcare, so every Samares family has been given an exclusive £15 Summer Sports Voucher to use towards any Sports Bug or Jersey Bulls Holiday Club booking this summer.

Over the past year, Sports Bug has continued to grow across the island, and we are incredibly grateful for the support shown by schools and families along the way. As we continue to expand opportunities for children through sport, activity and childcare, we remain committed to providing fun, active and confidence-building experiences in a safe environment.

Your exclusive voucher link is:

The voucher can be used on eligible summer holiday club bookings, including our Jersey Bulls Holiday Club at Victoria College Prep.

The success of initiatives like this relies on vouchers being used fairly and as intended by families. We kindly ask that voucher codes are not shared outside of Samares School or duplicated across multiple accounts, helping us continue offering similar opportunities to families in the future.

We will be running sessions every weekday throughout the summer holidays, with morning, afternoon, full-day and late pick-up options available.

As spaces are limited each day and we are expecting a very busy summer, we would strongly recommend booking early where possible. Please note that vouchers cannot be extended or carried over if sessions become fully booked before use.

Thank you again for your continued support, and we look forward to welcoming your children this summer.

The Sports Bug Team
